

*“My lens implants work so well,
I don’t need glasses any more.”*

*When Michaela Rickard
needed cataract surgery,
a friend told her about
Dr. Jon Marc Weston, the
most experienced cataract
surgeon in Douglas County.*

*“It went so well. Dr.
Weston has an office that
works like a Swiss clock,”
Michaela says. “They make
you feel so comfortable.
They explain all of your
choices in detail so you
can make the right
decision. And the multi-
focal lenses they fitted me
with work so well, I don’t
need to wear glasses any
more. I’d recommend
them in a heartbeat.”*
