

# *“I would highly recommend Dr. Weston for cataract surgery.”*

*“My sight had been fine,  
then all of a sudden I  
couldn’t read street signs  
and lights were blurry.  
So I had cataract surgery  
on both eyes this spring.*

*“To be in surgery for such a  
short period of time, then  
come out seeing clearly is  
a miracle to me. I really  
appreciated Dr. Weston’s  
attention to detail, and  
his office staff are all so  
courteous and made lots of  
accommodations for me.*

*“It really has been like a  
miracle, and I can’t  
recommend Dr. Weston and  
his staff highly enough.”*
